Examiner's Amendment/Comment

Authorization

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee. Authorization for this examiner's amendment was given in a telephone interview with Mr. Hoffman on 2-21-06.

Amendment

2. The application has been amended as follows: **claims 14-18** have been canceled.

Examiner's Statement of Reasons for Allowance

3. The following is an examiner's statement of reasons for allowance: the closest prior art of record to GB 2212995 in view of Nedblake et al. (US 5,624,520) does not teach temporarily separating one of adhesive films 2 or 4 from strip 3 during cutting of the other film 2 or 4 on strip 3 in that the combination of references suggest cutting film 2 or 4 which has been separated from strip 3 instead of cutting film 2 or 4 that remains on strip 3.

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
